

## Advisory Note

### Laxfield Footpath 13 (Part)

Our contractors are due to commence works to level and surface part of the above-named footpath from **Tuesday the 10<sup>th</sup> June 2025**. It is anticipated that the works will take 2 to 3 days to complete subject to no unforeseen circumstances arising.

The footpath itself throughout the works will not be formally closed and still open for public use. However, **could we please ask that, if possible, could you avoid using this route whilst the works are in progress** - from 8.30 am to 5 pm Monday to Friday.

If you do use, please take instruction from the contractors on site who will be able to guide you through when safe to do so.

Your assistance with this matter would be greatly appreciated, with the outcome being a firm and level path surface which will improve access for all.
